NOTES (Include as applicable: sexual behavior - appropriate and inappropriate, employment status, home situation, current stresses, complaints & resolutions, current legal concerns, other significant mental status observations, and a description of the patient's participation in group or individual therapy):

Pt. reports general status is adequately stable. He denies inappropriate urges / cognitions. Pt generally presents = mild depression & a mix of pessimism & optimism. He will attend a job interview = State Highway Admin. on 10/18/96 & is anxious about same. Pt is also concerned for son as he is "his love". We also focused on need/desire for an age appropriate female relationship. Pt. to increase social network. No other problems were presented, except his ongoing struggle to forgive self for prior abusive behavior. Will continue to follow case.

The attending physician was available and continues to provide supervision for the patients on an ongoing basis.

He denies inappropriate ways/ cognitions. Pt. continues
employment in [REDACTED] which is very hectic. Pt. continues to
drive nothing in dispatching area i.e. police dept..
He continues to struggle w/ abuse of son & feeling of
loss to help the boy in his treatment process. He doesn't
"know the right things to say which the boy's therapist will
accept". Pt. to discuss issue w/ therapist when possible.
Pt. often feels overwhelmed as he takes care of self &
works about his son's welfare. No other problems
were presented. Will continue to follow case.

NOTES (Include as applicable: sexual behavior - appropriate and inappropriate, employment status, home situation, current stresses, complaints & resolutions, current legal concerns, other significant mental status observations, and a description of the patient's participation in group or individual therapy):

If reports general status is adequately stable. He denies inappropriate mood/cognitions. Pt continues employment at [REDACTED] He met w/ son/visitation w/ the boy's therapist on [REDACTED] This was very stressful as the boy beat Gary in a "fit of rage" & advised him to leave the office. This was very disturbing for Pt as it allowed him a clear view of sons rage & defiance re: to the abuse. This was further the "first time anyone physically beat Pt which was difficult." Pt. will continue Tx. w/ son which is supported. It is very hard for Pt to integrate (cover)
